## PURPOSE

The purpose of the VFW Riders is to support the VFW by promoting the public visibility of the VFW, its programs, the VFW National Home through community service and participation in veteran's service events, through responsible motorcycling in our community.

We will promote motorcycle riding and veteran's service with an active membership and provide a positive model for motorcyclists and veterans alike.

The Veterans of Foreign Wars Riders is a motorcycle group made up of VFW and VFW Auxiliary members in good standing. We are a group within the VFW that enjoys the past time of motorcycles, and we are not officially part of any other organization. We are a family-oriented group. We are pro military. Distinction of class, nationality, or gender will not be recognized nor tolerated by our organization. Our members act in good faith with other members and uphold the traditions of the Veterans of Foreign Wars. Although we self-govern, we will follow the by-laws of the Veterans of Foreign Wars and support the Armed Forces and the Commander in Chief of the United States.

Our members come from all walks of life and have served honorably in the Armed Forces of the United States in times of conflicts, their family members and people who support the VFW. We ride all types of motorcycles, both foreign and/or domestic.
